ES – CERTIFICATE OF CONFORMITY

1396 – CPD – 0038

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on approximation of laws, regulations and administrative provisions of the member states relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Natural smoke and heat exhaust ventilator, type METEOR

used either as a dual purpose ventilator or a smoke and heat exhaust ventilator without daily ventilation according to EN 12101-2 having properties and used on conditions specified in the Initial type-testing report No. C1396/09/0027/5003/SC issued by FIRES s.r.o. on 20. 01.2010;

placed on the market by

TURBO M. Kft., Rákosi str. 126, H-1162 Budapest, Hungary

and produced in the factory

TURBO M. Kft., Silling út, H-2300 Ráckeve, Hungary

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body - FIRES, s.r.o. - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the Annex ZA of the standard

EN 12101 - 2: 2003

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on the 20th January 2010 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
